Status and Comments	
Major review of agreement and structure (if relevant)	An executive summary of the Agreement is available on request. The mandate of IZA secretariat now includes UK-REACH. Letters-of-Access (LoAs) for referral and Licenses-to-Use (LtUs) for incorporation of data in another Registration dossier are available for granting through specific agreements.
“OR” and “importers” in consortium/a	EU-based legal entities are ORs for some multi-national consortia members. Non-EU manufacturers/importers have appointed a consultancy company based in the EU as OR.
Technical work	General secretariat and technical work have been contractually mandated to the IZA-team. The work programs and budgets are presented, reviewed, and agreed at the yearly Steering Committee (SC).
Pre-existence of RA	No.
Collection of data from DU	On-going as required for future dossier updates.
Contacts with other consortia for exchange of data	Open for data exchanges.
Upcoming meetings	Yearly Steering Committee (SC) in November (next SC: 20/11/2025)
Support on REACH-type regulations (e.g. Korea, Turkey, UK)	LtUs available for UK-REACH, K-REACH (Korea REACH), KKDIK (Turkey REACH) and Taiwan REACH.
